Tournament Formats

Please ensure non-golfers and novice golfers are paired with more experienced golfers in order to aid in speed of play and add to everyone's enjoyment to fully participate.

The following tournament formats are suggested to make golf more fun. Foursomes working together as a team builds confidence in the less experienced golfer and lets the more experienced golfer be the leader and to go for it every shot.

SCRAMBLE(For foursomes and twosomes)

- Each team member will tee off and the best drive of the team is selected.
- Each team member will move their balls within 1 club length of the best ball and play their second shot from there.
- The best second shot is selected and the procedure is repeated until the ball is holed out.

BEST BALL(For foursomes, threesomes, twosomes)

Each player plays their own ball from tee to the green.
The lowest score for the hole is selected and is counted as the teams score.
This process is repeated for all 18 holes.

ALTERNATE SHOTS(One ball per two players)

One player tees off on even numbered holes and his/her partner tees off on odd numbered holes.

The other partner then hits the second shot and the process is repeated until the team holes out.

Each member must hit 9 tee shots on either even or odd numbered holes.

Fraserglens Callaway Scoring System

76,77,78,79,80	2 holes
81,82,83,84,85	2 ½ holes
86,87,88,89,90	3 holes

111,112,113,114,115	5 ½ holes
116,117,118,119,120	6 holes

Notes: **No holes may be scored at twice more than par.**
 ½ strokes count as a whole stroke.
 Never deduct the 17th & 18th hole scores
 In case of a tie, the lower handicap wins.

Example: **5 4 5 7 3 3 4 4 6 = 41 6 3 6 4 3 3 6 7 4 = 42 = 83 total**

Deduct the 2 worst holes and ½ of the next worse
Deduct #4 which is 7, cannot deduct #17 thus deduct #16 which is 6
Deduct ½ of #12 which is also a 6, add 7, 6 and 3 for a total of 16
Deduct 16 from the total score of 83
Your Net score is 67 or 5 over par
